

RISK ASSESSMENT

TASK / ACTIVITY / OPERATION / LOCATION / EQUIPMENT / INDIVIDUAL / DATE(S):	COLLEGE: Easton College	DEPARTMENT/BUILDING/AREA: Norfolk Show ground AgroChallenge 2026
Estimating weights of Rare Breed Animals 24 th & 25 th June Royal Norfolk Showground	ASSESSOR: C Askew	
	DATE ASSESSMENT CARRIED OUT: 10-Apr-26	
	REVIEW DATE (Annually or after significant changes): 10-Apr-27	
	LINE MANAGER / VP APPROVAL (Name & Date): Mat Scott 03/06/26	

Hazards Associated with the Task, Activity, Operation, Location, Equipment, Individual.	Persons Affected	How Might They be Harmed	Control Measures	Severity Rating	Frequency Rating (likelihood)	Overall Risk Rating (Low, Medium or High)
Zoonotic diseases	Participants	Transfer of disease from Livestock to Participants through contact	All Livestock penned up, no contact being animals and participants	2	2	4
Slips, trips and falls	Participants	When moving from pen to pen	Work area to be cleared of unrelated items	2	1	2
Transport of animals to area	Handlers	Struck by injury, bites	Handlers will be familiar with their animals and no other persons to interfere. A separate RA with the Risks their rare breeds may pose may be necessary	1	1	1
Public injured by Livestock	General Public	Kicks or bites	Rare Breeds Survival Trust stand at Norfolk Show designed and Risk Assessed for Public access, all Livestock securely penned up	2	2	4

RISK ASSESSMENT

NUMERICAL ASSESSMENT				OVERALL RISK FACTOR						
Severity Rating		Frequency Rating (likelihood)		Overall Risk Factor = Severity x Frequency	Frequency (likelihood)					
					5	4	3	2	1	
1	No Injuries / Minor Damage	1	Remote	Severity	5	25	20	15	10	5
2	Single Minor Injury	2	Unlikely		4	20	16	12	8	4
3	Single Major Injury / Personal Injury	3	Occasional		3	15	12	9	6	3
4	Single Fatality / Major Pollution	4	Probable		2	10	8	6	4	2
5	Multiple Fatalities	5	Frequent		1	5	4	3	2	1

15-25 High Risk	UNACCEPTABLE - REVISIT ACTIVITY & CONTROL MEASURES
8-12 Medium Risk	REVIEW THE CONTROL MEASURES – CAN YOU IMPLEMENT FURTHER CONTROL MEASURES TO REDUCE THE RISK? IF NOT, REGULARLY REVIEW CONTROL MEASURES.
1-6 Low Risk	ACCEPTABLE (Keep control measures under review).
